Street-Cleaning Department of this city, at the polis. and to expose such a swindle should

be enough to end it. "The Evening World's" Free Food some of the most impressive scenes of market-baskets finds its way there daily.

There is no need for alarm among the English House of Lords has taken a fresh story professional politicians over the exciting While it is true that "threstened men live long news from Patchogue that County Judge the time is surely coming when the hereditary Smith has refused an increase of salary, legislators must go. -Tolodo Blade.

There is no danger that his example Taking the Blizzard Philosoph-"Yellow Jack" is reported to have attacked American merchantmen at Rio. Admiral Benham cannot deal with this

enemy as he did with Da Gama. And the fever may accomplish what the rebels couldn't-a real blockade of the Yesterday's hearing on the New York

and New Jersey Bridge bill at Washington brought out a variety of voices. The great voices of New York and New Jersey are for the prompt passage of a which is biggest, happlest and best, the former good bridge bill and for the early beginning of work on the structure. And she is nearest to Philadelphia.-Philadelphia National interests strongly back up these

State Senator Reynolds has consented to allow the original "Greater New daily newspapers-Harvard, Yale, Princeton, York" bill, as it passed the Assembly by Brown, Cornell, University of Pennsylvania and wote of 106 to 7, to be reported to the the University of California. ste with his more complicated bill Portsmouth, N. H., is said to look as a proposed amendment. This is a an old great deal better than the substitution United States. of the Reynolds bill, on which the Sentate Judiciary Committee has first decided. The matter has been made a special order for next Tuesday. Friends of the splendid project for a great munici-

pality, to include the whole metrosolitan district, will base great hopes of Senatorial common sense and patriot sm, as to the final outcome

STOP IT.

The revelation that the city of New ork was emcouraging and patronizing he padrone system in obtaining laborers ufficiently shocking at any time. It s particularly shocking at the present juncture, when thousands of men are valting and longing to be set at work, and when they should be permitted to earn, every cent of money available New York Burled Under Slush and from the city, instead of having it dribbled away to "labor contractors" in Yesterday's "Evening World" told a startling story about this system of getting men for the extra work in the Street-Cleaning Department. It was a true story, and its truth is the excuse the operations through the pa drones by saying that in no other way be obtained on such short notice was filmsy and false. Laborers in numbers more than sufficient for the purpose in view could have been for work at the scene of the new speedway operations, or by application to well-known, reputable and regular head-

Makes Brockway Look Up.

(By Associated Press.) ALBANY, Feb. 15.—The finale of the investigation into the alleged cruelties at the Elmira Reformatory took place the horse ran against an "L" post and mony was concerned, when the accused was killed, and a romantic tale of love Superintendent, Mr. Brockway, took the to-day, so far as the taking of testistand in his own behalf.

The Committee got to work very early. Brockway's confidential clerk, Hoppe, pears the evil Poor men are so bound under cross-examination, was besieged by Judge Gibert with a storm of ques- not offer the slightest resistance to the tions quite as heavy as the snowstorm that heat against the windows of the victims. They must take whatever is examination-room. Judge Gilbert said he wished to show

by the witness the bad effect of the law governing the transfer of inmates to other prisons, which made the position of Superintendent almost despotic. Mr. Brockway simply smiled at this and resumed the reading of a magazine, continuing it while Hoppe was exam-ised. Out of the great mass of testi-mony these were the most interesting points;

More Facts in Connection with the Grinding of Poor Laborers.

The further investigation is made into the padrone system of robbing laborers of their hard-earned wages, which seems to be fostered by the heads of some of the city departments, the greater apdown by their employers that they dare wholesale frauds by which they are the offered them or accept the alternative of not getting work of any kind.

The padrone system has in fact gained such a stronghold that it is actually impossible for any laoborer to procure work, or in fact to accept work upon any of the city's contracts, without the consent of the slave drivers who hold them in bondage.

streets of liceton been in such a deplorable confitten as they are to-day. In all the main there stagisfairs there is at least a foot of snow left than the great storm of Tuesday.
